Sir,

I have the honor to forward herewith the Vernacular correspondence ending with Special Assistant Excise Commissioner's No. 1713, dated 15-3-1900, together with a remission Statement for Rs. 2966-10-8, in favor of one Yellappa, Toddy Vend Farmer of the Davanagere Sinka for the year 1899-1900, and to state as follows:—

2. The Davanagere Vend Farm consisting of 4 shops as noted in the margin, was knocked down at the auction sale of the current year to the said Yellappa for a rental of Rs. 890/- per mensem. The shops properly worked till the beginning of September 1899, when plague broke out in the town of Davanagere. The epidemic having assumed a virulent type, the town was completely evacuated and

3 Sabanur
4 Narayanahalli

and the toddy shop was, in consequence, closed from 21st September 1899, by the contractor under my orders, there having been no consumers in the place at the time. The shops in the villages of Sabanur and Bethur which had to get their supply from the Dawanagere Depôt, had also to be closed simultaneously, as these places had also become infected. The 4th shop at Ranganahalli could not be regularly worked owing to the absence of Vendors and tapmen all of whom left the village, on account of the prevalence of plague in the adjoining villages. From the statement enclosed in the records, it will be seen that no trees were applied for by the farmer during the 2nd quarter for the 1st 3 shops. For the supply of Ranganahalli shop only 100 trees were tapped during the month of November 1899. On the 1st January last, the shops were reopened, the epidemic having subsided a little in the town as well as in all the surrounding villages. I know, as a matter of fact, that the contractor has actually suffered

Sir,

loss during the period when plague prevailed. Further, I am of opinion that in cases of this nature, if coercive measures are resorted to for the re-covery of the arrears due to Govern-ment, it would deter many a respectable and well-to-do profes-sional man from coming forward to bid at future sales.

3. Under these circumstances I beg that the Excise Commissioner will be so good as to recommend to Govern-ment the remission of Rs. 2966-10-8 due from the said contractor Gellappa.

No

No. 259, dated 27-3/4-4-1900, forwarding for sanction a remission statement in behalf of Yellappa, toddy licensee of the Davanagere group of shops for the year 1899-1900.

In reply has the honor to observe that Davangere and two other shops viz. Bethur and Sabanur were not worked from 21st September to 31st December 1899 on account of the prevalence of plague at Davangere and to the evacuation of the town, but there is no evidence to shew that Davagavahalli toddy shop comprised in the above group, was likewise abandoned. On the other hand it is clear from the fact that 100 trees were applied for in November 1899 in its behalf, that that toddy shop was in operation, the place having been free from plague. Requests therefore that the rental of the shop may be calculated proportionately upon the number of trees applied for by it in the 1st quarter, that the proportionate

rental

rental so arrived at may be excluded from that for the whole group, and a revised remission statement in the prescribed form be prepared and submitted for the balance.

2. It is presumed that the tree-tax on account of the trees licensed for the shops included in the Davanagere group, has been fully recovered.

3. The file of records received with the letter under reply, is herewith returned for reference and resubmission.
